Dear Parents

Weather Forecast

There is the likelihood of adverse weather in the next few weeks with very cold conditions. The children will be allowed to play outside providing that they have alternative, suitable footwear i.e. Wellington boots, along with gloves, hats and warm coats.

The playgrounds could be very slippery during these conditions, so please take extreme care if you need to walk across them. Unfortunately, because of the size of the school site, we will not be able to grit all areas. We will concentrate on the paths, pavements, steps and ramps around the school along with the road entrance for cars.

In the unlikely event that I have to close the school because of the weather, information will be posted on the front page of the school website at www.oldfieldprimary.com or alternatively at www.rbwm.gov.uk. We will also endeavour to send an e-mail.

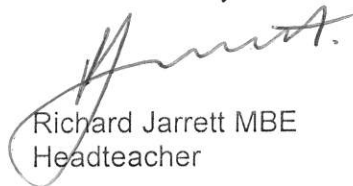

Regular bulletins will also be posted on the following radio stations:

BBC Radio Berkshire: 95.4fm, 94.6fm, 104.1fm or 104.4fm and their website at www.bbc.co.uk/berkshire.

Heart Thames Valley: 102.9fm, 97.0fm

If in doubt, you may also telephone the school from 7.00am in the morning, but please check the **website and your e-mails** first before phoning.

Yours sincerely

Richard Jarrett MBE
Headteacher
