

KS1 Timetable: Year 1

This timetable outlines live lessons and subjects for pupils working remotely during school closure. Children will be invited to live sessions scheduled in MS Teams by their teacher. Daily Plans are emailed out every morning and also added to the Year 1 Class Page of the school website.

We have a cross-curricular approach to the delivery of our curriculum so our timetable will adapt according to the focus of our learning for the week. Children in **Year 1** are expected to complete **3 hours** of learning each day, inclusive of teaching time and other set tasks. Children should take breaks away from screens between tasks and incorporate daily exercise into each day.
