

Oldfield Primary Remote Learning

EYFS Rosen Class

Week 5, 1st – 5th February 2021

Dear Parents/Carers and Children of Rosen Class,

I hope you are all keeping well, it has been great to see the work the children have been achieving at home, please continue to send in photos/videos via teams so I can enjoy their accomplishments.

Last week you should have received a note via parent mail regarding the assignments. As you are now aware of how to submit a task on assignments, we have decided to allow late hand-ins for **24 hours**, after this period that no late submissions will be allowed. We have made this decision so that we don't miss work submitted after a certain time as we appreciate how much effort goes into the learning at home.

Please see the following photo to explain it further:

Assignment will be posted on Thursday, 28 January at 08:00 and is due on Thursday, 28 January at 23:59. Late hand-ins allowed until Friday, 29 January at 23:59.

Hopefully, the children have now adjusted to our live phonics sessions and circle times and are enjoying them!

Please continue to send in any photos or videos the children would like to share for 'Show and Tell' on a Friday morning. These will be collated into a weekly PowerPoint and shared on a Friday morning – **if we could have them by Thursday lunchtime at the latest that would be very helpful**. To make Fridays more exciting for the children we have decided to do 'Fancy Friday' each week. On a Friday the children can wear fancy dress, party clothes, tiara, crown etc.

Can I take this opportunity to remind you that we will be offline from 12:00 on a Friday, any communications (emails/messages/etc) received after then will not be responded to until Monday morning as we will be completing the plans, videos and resources for the following week.

Once again thank you for your support in getting remote learning up and running as smoothly as possible.

Regards,

Miss Amelia Goodson
