Parental/Carer Conduct

For our Home School Agreement to work and help to ensure the best outcomes for our children, everybody needs to respect and uphold the professional relationships required in schools.

Our staff work to the highest expectations of professional conduct and are held to account should their behaviour fall short of our expectations.

We therefore ask that all parents/carers frame questions and concerns in a calm and respectful manner to prevent parental behaviour becoming an issue in itself.

The Family will:

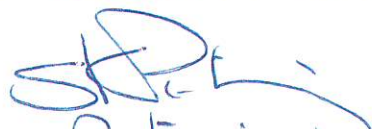

- Encourage children to support, value and enjoy all aspects of school life.
- Make sure the child arrives at school on time – between 8.40am and 8.50am. The whistle is blown at 8.50am and all children are expected to be in school by then. At the end of their school day, please make sure children are collected on time.
- Ensure children are not in school unsupervised before 8.40am.
- Ensure that the school is aware of any medical condition that the child may have.
- Ensure that no medication is taken into school without a medical consent form being completed giving full details of dosage and when it should be administered.
- Make sure the child attends for at least 95% of the time and provide a note of explanation if the child is absent.
- Attend meetings and discussions about the child's progress as and when necessary.
- Ensure children are well presented in school uniform, and suitable clothing and footwear are provided, taking into consideration activities and weather.
- Ensure the school has 2 emergency contact telephone numbers and addresses and kept up to date. Any changes to be notified immediately to the school office.
- Ensure they follow the school's learning policy supporting their child's home learning, reading, spellings and tables.
- Try to support the Oldfield School Association events and others run by the school.
- Ensure they see and respond to all letters sent home by the school.
