"Hi, I'm Suki. I help you put things in the correct order and sequence. I can help you put the story in order, match events to the time they happened or decide on what happened first or last.

If you wanted to use me to ask questions you could ask:

Who do we meet first in this story?

What is the last step of these instructions?

Can you put these sentences into the order they happened in?

Can you use 20 words to sum up what happened in this story?

Can you draw a picture to show what happened in the middle of the story?

Do I need to read this text in the order it is written? What happens if I don't?

I hope we can work on your sequencing skills together and not get muddled up!
