

## Digital Leaders Go Coding

The Digital Leaders, and a few other pupils in Year 6 went to Desborough on Wednesday 23<sup>rd</sup> June for a fantastic afternoon of coding. They were all given access to [codecademy.co.uk](http://codecademy.co.uk) and worked solidly for 3 hours on producing their very own games.

By the end of the afternoon all 15 pupils had completed Level One of their game which they were then able to publish and share with their friends.

Many thanks to Desborough College and Matt Lovegrove in particular for this amazing opportunity.
