

Oldfield Primary school Literacy Day

Dear Parents/Guardians,

We visited Oldfield Primary School today to deliver a fun packed day, full of sessions all about books and reading for pleasure!

Each class chose their own topics that they wished to focus on.

We looked at different stories and characters with each class.

We also talked about the Summer Reading Challenge and encouraged the children to come down to the libraries and join up.

This year it starts on Saturday 13th July. Children are asked to read 6 books and receive prizes along the way.

See attached book suggestions that your child might like to try to complete the challenge.

The books we discussed are available through your local RBWM libraries in the Maidenhead area. Please also check out our website where you can browse the catalogue and look at our selection of E-books and Audio books plus may online resources to help with homework <http://www3.rbwm.gov.uk/info/200197/libraries>

Reading with your child and introducing new books is key to their development. It encourages early language skills and confi-
