

## Trip to Luton FC for Regional Finals for the Girls Football Team

What an experience for 8 girls from year 5 & 6 to represent Maidenhead United Football Club at the regional finals in Luton on Tuesday 28<sup>th</sup> February 2023. The girls got off to a great start too winning their first match against the team representing Wycombe Wanderers. Unfortunately, they were unable to maintain this momentum throughout the rest of the day despite being very close in a number of other matches. We are all incredibly proud of their achievements and they should be too.
