

Oldfield Primary School

Bray Road, Maidenhead, Berkshire, SL6 1UE

Telephone: 01628 621750

Website: www.oldfieldprimary.com

Headteacher: Mrs Catherine Page

Welcome back,

Please find attached this half term's Knowledge Organisers for Geography and Science.

Our home learning task is to be completed by Friday 8th December and is linked to our Science topic.

Well done to everyone who has been keeping up with their weekly spellings which we send out and test each Monday. It has been lovely to see the enthusiasm in maths with children improving in their maths and number fluency by playing the Numbots game at home.

Home Learning:

This term in our science lessons we are investigating what animals and humans need to survive. For your Home Learning Project we would like you to investigate what makes a healthy diet. You could look at food groups and nutritional information too.

Project: Find out what makes a healthy lunch, and plan a healthy picnic for your family

You don't need to send the food into school, but you might like to present a poster, scrapbook or collage

Please hand your work on **Friday 9th December**

Kind regards,

Mr Marchant
Y2 Rhino

Miss Hichens
Y2 Elephants
