We talked about symbols and designed our own.

- Rules for a Lesser Jihad/Holy War
- To defend Allah and not seek war as a means for conquest
  - To gain freedom from tyranny and restore peace
  - Fought until the enemy lays down their weapons
  - Women and children should not be harmed, crops not damaged, mosques should be protected - absolutely
  - Mercy should be applied to enemy captives, soldiers treated equally, women left unharmed and the enemy should never be executed.
- \*border disputes, wars for personal power, and wars to exploit others are not jihad

I don't really know what my greater Jihad is, I think it's more like getting up in the morning but I would like to see my friend.

Some nice people get angry and but I think means a faith of the people and to some who are not.

My Greater Jihad is to try to read the Quran daily.

Tell people not to be telephatic/racist. And educate them. shahin

My greater Jihad is to work up every day of telling my parents I love them.

My greater Jihad is to go my brother hate me I try not to hit to him back. Try do something else other than go on my phone.

Research Research on the internet about Jihad.

Try not result to violence in an argument.

Explain what Jihad truly means before spreading fake news. It just means a picture saying Muslims are horrible. When maybe not.

Educate before making assumptions, understand what you are saying.

Alexandra P 12.06.23 My Jihad
