Resources for Parents and Carers

Special Educational Needs & Disability (SEND)

Information, Advice
and Support Service
for children, young people and parents

We hold monthly meetings that we call The Parents' Share where parents and carers can come and share their experiences, knowledge and successes. Sometimes we have speakers and we are always open to new ideas and topics, so do drop us a line to let us know.

You can book your free place for the below sessions via the links below:

18 January 2024: [Wellbeing Session and Mental Health with Kooth & RBWM Mental Health team](#)

What Mental health support is there for you, your child /young person within the borough. What resources are there and how does it work.

22 February: [Preparing for Adulthood session](#)

What does the pathway for Preparing for Adulthood look like, what does transition look like, what help is there - come along and find out with the PfA team.

[Click here to access our new leaflet](#) and our [website](#). Enquiries to the service may be simple questions or, more often, longer pieces of work supporting families navigating more complex situations.

NHS Berkshire Occupational Therapy: Sensory Processing Workshops/ Webinars

- Does your child avoid important activities because of how it makes them feel?
- Does the child you work with find it difficult to manage the demands of the classroom?
- Does your child become easily overwhelmed in busy or noisy places?
- Does the child you work with find it more difficult than others to focus or sit?
- Does your child move, push or 'crash' more than others?

Our **Occupational Therapy** team are pleased to introduce our **online workshops** to help you.

These sessions are designed for parents, carers and those working with children and young people. Our aim is to help you understand the sensory needs that a child or young person may be experiencing. It offers strategies, practical advice and tips on how you can enable a child or young person to manage their sensory needs on a daily basis.

Early Years sensory processing workshop

This sensory processing workshop focuses on how to support younger children (0-5 years). This session can be attended by parents/carers and early years staff/

Date	Time	How to register
Wednesday 24 January 2024	9.30-11am	Sign up here (opens in new window)

School Years sensory processing workshop

This sensory processing workshop focuses on how to support school age children (5-11 years). This session can be attended by parents/carers and school staff supporting a child or young person in order to understand the young person's needs and how these can be best supported.

Date	Time	How to register
Friday 2 February 2024	9.30-11am	Sign up here

E-SCOOTERS

What you need to know

Did you know it's illegal to ride a privately owned electric scooter (e-scooter) in public?

That's because e-scooters are classed as motor vehicles in law. So, in theory, this means that you need an MOT, road tax and insurance to use one, however it isn't currently possible to register e-scooters in this way.

Privately owned e-scooters can only be used on private land, with the permission of the landowner.

You cannot use a privately owned e-scooter on the road, pavement or in a public space. If you do then you risk receiving a large fine, points on your driving licence and your e-scooter could be seized.

Some parts of the UK are running government trials of rental e-scooters. If you're over 16 and have a full or provisional driving licence, then you can use these on public roads and cycle paths.

Just check that your driving licence covers categories AM, A or B.

Dear Parents/Guardians,

The Maidenhead neighbourhood police team are completing work around cycle safety in order to make the town centre and streets of Maidenhead safer for cyclists and pedestrians.

As part of our work we will be focusing on areas that are pedestrianised in Maidenhead Town Centre. If anyone is seen cycling in an area where cycling is not permitted, or riding in an anti-social manner where cycling is allowed, we will be taking action and issuing Fixed Penalty Notices.

Please discuss cycle safety with your child/children and remind them to be aware of the signs, as well as re-iterating the importance of wearing protective equipment such as helmets, having lights fitted to their bicycles and having a good bike lock for when they are leaving it unattended.

Privately owned e-scooters are classed as a personal light electric vehicle and are only permitted on private land. Riding these anywhere in public, whether on the pavement, road or in parks is a road traffic offence. If you are considering purchasing an e-scooter or your child or young person already owns one, please see the attached leaflet, which goes into further detail.

We are working hard to keep the town centre and the streets of Maidenhead safe and therefore this work is ongoing.

Regards,

Maidenhead Central Neighbourhood Team
