12th April 2024

To Parents/Carers of Children in Year 2

We hope you all had a lovely break and welcome back to the summer term! We are gearing up for one of our busiest times of the year, as we prepare for the End of Key Stage 1 SATS tests. We take these informal assessments seriously, in a change to previous years, these results are no longer reported to the local authority but will help us with in school tracking as children move to KS2.

These assessments will take place in school during the months of May and June, and as such, we kindly request that you do not take any time off during this period and avoid booking appointments during the school day.

Aside from the SATs, in the summer term the children will be learning about Transport through the ages, and our trip this week to the Milestones Museum is fantastic hook for this – look out for photos on the website and in the newsletter very soon.

In science the children have enjoyed watching the butterflies and frogs move through the various stages of their life cycles, and our small frogs will soon be returning to their original habitat. This term in Science we are learning about different materials and investigating how we can make something waterproof.

In Computing we are looking at handling data and creating charts and pictograms, linked to our Maths curriculum.

Spellings will continue to be sent on Mondays and tested in school and our PE days remain the same as last term. Please ensure reading books are in school every day and continue to sign the reading record books when you read at home. All children may take home 'borrow a books' in addition to either their Little Wandle or fluency books and they have the independence to change these themselves.

We encourage you to continue supporting your child's learning at home. Please feel free to reach out to us should you have any questions or concerns during the summer term. We are here to support both you and your child to achieve the best possible outcomes.

Kind regards,

Mr Marchant
Year 2 Rhino

Miss Hichens
Year 2 Elephant
