6th January 2026

Happy New Year to all our Year 1 families! What a year 2025 was; and we ended on such a high with the children's first Nativity performance-and what a superb job they all did. We were so proud of how well they did and they all looked to have thoroughly enjoyed it!

Thank You

We'd like to start this letter with a HUGE thank you for all our wonderful gifts and cards. We were blown away by your generosity and did not want it go unnoticed. So, thank you so much; we hope you all had a relaxing and enjoyable break- well, as much as you can when you've got young children to entertain!

A glimpse at the term ahead

We're sprinkling a little bit of Fairy Tale magic this term as we explore the classic tale of Cinderella in our English lessons. In our Science lessons, we're going to be investigating different animal groups and their characteristics. Then in History we're going back in time to the Great Fire of London and we will be learning about how the fire started and how we use historical sources to help us understand the past. In addition to this, we'll be continuing to develop the children's understanding of how to use apparatus correctly and safely in P.E lessons, and building their skills in Hockey. In Maths, we will be exploring place value, and addition and subtraction within 20. In Art, we will be making felt animal puppets and work on developing our cutting and sewing skills. In PSHE we'll be exploring 'Living in the Wider World'; in R.E we'll look at 'Jesus as a Friend'; in Music we're doing Minibeasts and Tempo.

We're really looking forward to the term ahead and all the exciting activities we have planned for the children.

Mr Manez

Mrs Yaqub
