It's fun to learn

Friday 17th July 2026

Dear Parents

We're delighted to let you know that the Challenge is back at all Windsor and Maidenhead Libraries from Saturday 11 July, and we can't wait to welcome you this summer.

It's free to join and it's the perfect way to keep your children motivated to read over the long summer break. It's open to all children between the ages of 4-11, and don't worry if your younger ones aren't yet fluent readers, sharing a book with them counts.

We aim to make the challenge fun and children can choose to read whatever kind of books they like, may it be fiction, non-fiction, comics, audiobooks, picture books, poetry.

This year's theme is **Read To The Beat**, and it launches on Saturday 11th July.

Come to any of our branches to register and collect your welcome pack. To complete the Challenge your children will need to read six books and they'll be rewarded with stickers and prizes along the way. They'll be awarded a medal and certificate on completion of the Challenge.

We also have a summer full of activities which you can find out about from our Library events page on our website. The challenge ends on 12th September.

Together, we can help every child discover that reading is fun, empowering, and full of adventure. Thank you in advance for helping us make this summer one to remember!

SEND Voices

Royal Borough of Windsor & Maidenhead

Are you a parent carer for a young person
with SEND?

Annual survey 2026 - OPEN NOW

SEND Voices RBWM (the independent parent carer forum for the royal borough) runs a survey annually to get an understanding of the effectiveness of SEND services for families in the borough and the impact that recent SEND improvement work is having on families' lived experiences. These results also provide parent carer views for the local area SEND Reform work over the next few years.

This survey is open to **all** families who live in (or access services in) the royal borough and who have a child aged 0-25 years with **any** special educational needs and/or disabilities.

We will use the feedback to understand where services are working well and where improvements still need to be made; ensuring your priorities become our priorities.

Please scan the QR code or go to:
<https://www.surveymonkey.com/r/SVRBWM2026>

The survey will run until the
30th September 2026

Thank you

Your views are vital to the continued work of SEND Voices RBWM

Have Your Say School Traffic Across the Borough

Dear Parent/Guardian,

The Council is currently carrying out a borough-wide survey to better understand the impact of school-related traffic and the challenges families face during the school run.

We would be very grateful if you could take a few minutes to complete our short survey and share your views on traffic outside your child's school and along your journey. Your feedback will play an important role in helping us identify ways to improve safety, accessibility, and travel experiences for families across the borough.

Please access the survey using the link(s)/QR code below:

<https://forms.office.com/e/9chNHLMWmG>

The survey is quick to complete, and all responses will help shape future improvements to the school run experience.
Thank you very much for your time and input.

Kind regards,

Road Safety Team

Dear Parent/Guardian,

Over the past few weeks, we've had the pleasure of visiting your child's school to deliver our drowning prevention assembly, helping children understand the importance of staying safe in and around water.

With summer holidays fast approaching, there is no better time to strengthen your child's swimming ability and water confidence.

Our **Summer Swimming Crash Courses** are designed to help children make rapid progress in a short period of time through consecutive lessons led by our experienced teachers. Whether your child is just starting their swimming journey or looking to build confidence and improve technique, our intensive courses provide the perfect opportunity to develop essential water skills.

Why join a Summer Crash Course?

- Accelerated progress through daily lessons
- Increased water confidence ahead of summer holidays
- Development of key swimming and water safety skills
- Fun, engaging sessions with qualified instructors
- Suitable for a range of ages and abilities

As part of our partnership with your school, we'd love to welcome your family to Tom Dean Swim School this summer.

Places are limited and our summer courses are always popular, so we encourage families to book early to secure their preferred sessions.

To find out more or reserve your child's place, please visit tomdeanswimschool.com or contact us at enquiries@tomdeanswimschool.com.

We look forward to helping your child become safer, stronger, and more confident in the water this summer.

Kind regards,

Jo Kilgallon
