Knowledge Organiser — Year 4 Ancient Greece Life and achievements

Key Vocabulary

Democracy	: a system of government by the whole population or all the eligible members of a state, typically through elected representatives.
Mount Olympus	Was believed to be the home of the Ancient Greek gods.
Athens	The centre of the Ancient Greek world which went on to become the capital of modern Greece.
Zeus	.The king of the gods. He carried a firebolt.
city state	. Greece was split into separate groups called city states. They made their own rules, had their own laws and often clashed with each other.
Temple	The place of worship for the Ancient Greeks. Temples were often dedicated to one particular god.
Myths	The stories that the Ancient Greeks told about their gods. They often explained events or gave reasons for things happening in the world.

Key Aim: To learn about Greek life and achievements and the legacy left by the Ancient Greeks on the modern world.

To learn some Greek myths

We will learn where Greece is in the world, why it was such a powerful civilisation and the great achievements made during the Ancient Greek era. We will look at some Greek myths and understand how they told stories to make sense of the world around them.
