11th September 2026

Dear Parents and Carers

Now that your daughter is in Year 5 or Year 6, I would like to extend a warm invitation to you and your family to attend our forthcoming Open Evening, which will take place on Tuesday 29th September, from 5.00pm to 8.00pm. There is no requirement to book for this event, please just come along.

Newlands is a thriving and ambitious school, offering an exceptional range of opportunities both inside and outside the classroom. From academic excellence and sporting success to leadership opportunities and enrichment activities, there is so much for students to experience and enjoy. We would be delighted to welcome you to see this for yourselves.

I will be giving presentations, alongside our Head Girls and students from Year 7, at 5.15pm and again at 6.15pm in the Main School Hall. You will also have the opportunity to tour the school with our student guides, meet staff, and visit departments to discover some of the exciting learning and activities taking place across Newlands.

As both a parent and a Headteacher, I understand how important it is to find a school where children feel happy, supported and inspired to achieve their very best. At Newlands, we are committed to ensuring that every student is known, valued and challenged, enabling them to grow into confident, successful young women. Alongside excellent academic outcomes, we place great emphasis on kindness, respect and personal development, creating a community in which everyone can flourish.

Our most recent Ofsted inspection recognised Newlands as continuing to be an outstanding school. This achievement reflects the dedication of our students, staff, governors and families, and we remain committed to providing the highest quality education and opportunities for every child. Every day, I am inspired by the enthusiasm, talent and achievements of our students, and I look forward to sharing these with you during your visit.

Please note that parking on and around the Newlands site can be extremely busy on Open Evening. As the school is situated within a residential area, we kindly ask visitors to show consideration for our neighbours. You may wish to allow extra time for your journey and consider parking a short distance away and walking to the school.

We look forward to welcoming you to Newlands and sharing more about the many opportunities available to our students. Further information, including our digital prospectus, will be available shortly.
