Unfortunately schools are not advised on whether or not children are or have ever been in care. If your child comes under one of the above categories, and you agree to this information being held by the school and included in a Department of Education return, please provide evidence to the school. More information is available either by calling into the school office or looking on their website.

Schools need to advise the DfE in January each year of children who fall into any of these categories. Applying is quick and easy. Please contact the school office.
